Peyton writes a song.

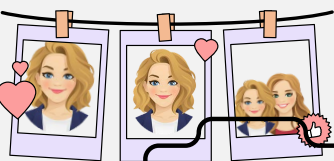

People say it's cold and gray  
My past always felt that way  
I've been living in-between  
I met you, and I saw green  
Before that night, I thought I'd find  
Before that night, I'd given up  
But now, all I want is you at night  
Now, I want you all the time  
Whenever I can't seem to find my words  
I think of you, and my pen starts to write  
My pen hits the blank page, as I arrange  
Why is it those three words were so hard to say?
